

Central Carolina Community College

Veterinary Medical Technology **2000**

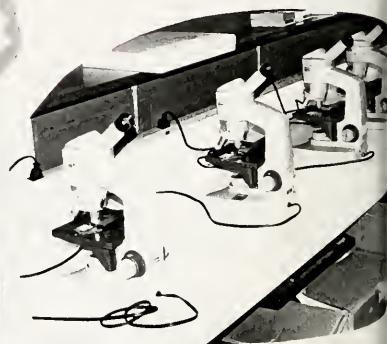

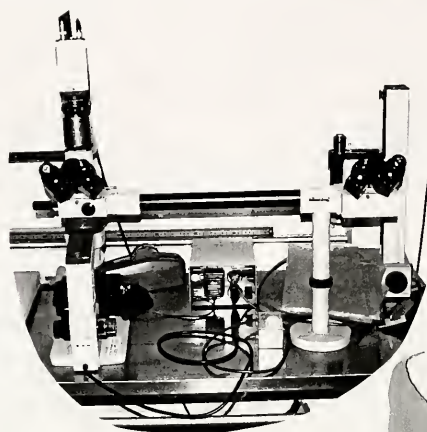

A decorative border of various paw prints and animal tracks surrounds the text. The prints are in different sizes and orientations, creating a frame around the central content.

Veterinary Technician Oath

“ I solemnly dedicate myself to aiding animals and society by providing excellent care and services for animals, by alleviating animal suffering, and by promoting public health.

I accept my obligations to practice my profession conscientiously and with sensitivity, adhering to the profession's Code of Ethics, and furthering my knowledge and competence through a commitment to lifelong learning.”
